By lofty elm trees shaded round,
Tioughnioga near,
Our grand old Cortland College stands,
To all of us how dear!
We'll sing to thee, dear Alma Mater,
Of love that shall never die,
We'll strive for thy glory eternal,
Keep thy stainless honor high.
Inspiring each son and each daughter
The noblest aims to try,
All thy fame and thy spirit,
Thy might are ours
As the swift years hurry by.

Message From President Erik J. Bitterbaum

Greetings to one of the most impressive groups to earn the distinction of a SUNY Cortland diploma: the Class of 2020. Although I missed being able to speak to you in the Park Center in May, I am pleased to address you as part of this commemorative program. I hope this mailing finds you and your loved ones healthy, happy and safe.

There is an old proverb that says, “There is a choice you have to make in everything you do. You must always keep in mind that the choices you make, make you.”

I truly believe this. The risks you take, your responses to the fears you face, how you treat people — all the seemingly small, fleeting decisions you make to either do the right or the easy thing — these are the choices that move you in one direction or another. Before you know it, you will look around and realize you are a long way from where you started. That’s why you should always strive to be sure that the choices you make help make you a better person.

During this past year, you have learned — quickly and definitively — how challenging and unfair the world can be. Perhaps more than any other class, yours was required to achieve its educational goals under unbelievably difficult circumstances, physically distant from your faculty mentors, the university’s supportive staff and even your closest friends. I am so proud of how you faced this adversity, realizing it was an opportunity to come together as a community under the banner of a common cause. I have no doubt you will emerge from these trials stronger and more resilient. And this newfound strength and resilience can only serve you well in the future, whatever it brings.

For all these reasons, I have great expectations for the Class of 2020. Success is about overcoming challenges and persevering through tough times to reach your goals. All of you already have done this, and I am confident you will do it again.

Once again, congratulations on your accomplishment, and I look forward to the day you can once more visit our beloved campus.

All the best,

Erik J. Bitterbaum, *President*

Welcome to the Alumni Family

SUNY Cortland has graduated more than 82,000 students, and you have joined the ranks of alumni who reside in all 50 states and nearly 60 countries. You earned your degree under circumstances unlike any our university has ever seen. While the pandemic may have changed your senior year dramatically, it cannot take away your achievements, Red Dragon friends and lifelong connection to SUNY Cortland.

We encourage you to continue your involvement as an alum. By keeping Alumni Engagement updated with your current residential and email addresses, you will be assured of receiving event invitations and publications such as our alumni magazine *Columns*, the online newsletter *Moments* and the Alumni Adventures event digest. Register your profile at RedDragonNetwork.org/update, call 607-753-2516 or email alumni@cortland.edu.

Stay connected with SUNY Cortland, friends and classmates on Facebook, LinkedIn, Instagram and Twitter. Visit RedDragonNetwork.org for details about events and much more, and watch for information about programming tailored to our newest alumni. We are currently hosting several opportunities to reconnect virtually, and we look forward to the day when it is safe to gather on campus and at regional events.

We are pleased to have you as a member of the Alumni Association and wish you a bright and successful future.
